

MANSFIELD INDEPENDENT SCHOOL DISTRICT

Parental Involvement Program

Charlotte Anderson Elementary School

Parental Involvement Policy

Charlotte Anderson Elementary School will involve **parents** in the joint development of the Title I plan and the process of school review and improvement. This will include annual review/revision of parental involvement policy and Title I compacts.

An adequate number of **parents** will work collaboratively with our Title I committee in an organized, ongoing, and timely way, in the planning, review, and improvement of the Title I program.

Annually the school will convene a meeting to which all **parents** are invited to learn about the school's participation in the Title I program and of their right to be involved.

Parents will be provided timely information about available school-sponsored programs and events. This correspondence will be sent home in both Spanish and English, as appropriate.

Parents will be provided a description and explanation of the curriculum in use at the school, the forms of assessment used to measure student progress, and the proficient levels students are expected to meet. This will occur through the MISD website and information from teachers and school officials.

Parents will receive a timely response to their suggestions and correspondence.

The school will seek participation from **parents** in actively participating in the planning and implementing of a **parent involvement program**.

Parents will be welcomed as an integral part of the educational process of their children, in accordance with policies of the campus and district.
